Master Site Plan

Market Overview

The Kent Valley is the so-called 50 yard line of the local industrial market, in the prime submarket of the Puget Sound region. It is half way between the Port of Seattle and Port of Tacoma and easily accessible to SeaTac International Airport, I-5 and I-90 via SR-167 or SR-18. Major industries include aerospace, food & beverage, 3PLs and internet fulfillment. Within a 15-minute commute of Pacific Gateway, there are 21,000 residents already working in Transportation and Material Moving occupations, or 11.5% of the employed population.

About Dermody Properties

Dermody Properties is a privately-owned real estate investment, development and management firm that specializes in the acquisition and development of logistics real estate in strategic locations for e-commerce fulfillment centers, third-party logistics and distribution customers. Founded in 1960, Dermody Properties has invested more than \$6.2 billion of total capital across all platforms nationwide, having acquired and developed approximately 100 million square feet of logistics and industrial facilities. In addition to its corporate office in Reno, Nev., it has regional offices in northern and southern California, Atlanta, Phoenix, Seattle, Chicago, Dallas and New Jersey. For more information, visit www.Dermody.com.

LogistiCenterSM is a national trademark brand, owned and developed by Dermody Properties. It represents the firm's business philosophy of developing Class A distribution facilities that meet the supply-chain requirements of the most innovative companies. All LogistiCenterSM facilities are designed to meet best practices in sustainable design and construction, and incorporate building features, such as additional clear height and extra trailer and car parking, that enable companies to execute their operations more effectively and efficiently.
